

12.2.3 Description 1 - Policy waste disposal - hazardous materials

Have a policy on waste disposal - Covering hazardous materials

Description:

As one of the faculties that use hazardous material in teaching psychomotor aspect, FKUI has continues to implement the UI's policy on waste disposal - covering hazardous materials. This policy is regulated on Rector of Universitas Indonesia Decree No. 1305/SK/R/UI/2011 on Trash and Hazardous and Toxic Material Waste Disposal Management Policy on The Campus of Universitas Indonesia. The management of hazardous and poisonous waste material (B3) at the Faculty of Medicine is divided into 2 types, medical and non-medical. The handling of B3 waste at FKUI is routinely carried out 3-4 times per year by the 3rd party through an official agreement with the Faculty of Medicine UI.
