

Implementation of SDGs at the Faculty of Psychology

15. Life On Land

15.4. Land sensitive waste disposal

15.4.3. Policy on hazardous waste disposal

Hazardous waste in the Faculty of Psychology

Description:

In the Faculty of Psychology, potentially hazardous wastes, like glasses, lamps, batteries, etc., will be collected and grouped accordingly. In this way, the hazardous waste could be processed appropriately and minimized the impact it caused to the environment because of the inappropriate waste treatment.
