

**Evidence for Sexual and Reproductive Health Care Services for Students (Free and Charged Access)
Indicator 3.3.4**

Overall, all students can free access Klinik Satelit UI Makara’s services, included KIA clinic. University students just showing the student card to receptionist to get them. Klinik Satelit UI Makara also collaborates with *BPJS* (Indonesian Universal Health Coverage) where the Klinik Satelit UI Makara is the chosen student health facility, so that students are increasingly guaranteed their health services. If they do not have a BPJS card or are not willing to move their health facilities to the Klinik Satelit UI Makara, then they are entitled to a *Kartu UI Sehat* (UI Health Card).
