

SDGS 17: Partnerships for the Goals
17.2. Relationships to support the goals
17.2.5. Collaboration with NGOs for SDGs

Description:

The Vocational Education Program collaborates with the Student Executive Board to conduct Community Service to develop micro, small, and medium enterprises (MSMEs) in the Kubang Baros Tourism Village, Serang, Banten for the welfare of the community and is expected to become a tourism-aware village with tourism products.

Apart from that, the Student Executive Board also carries out community service by socializing the importance of mangroves to coastal residents of Muara Bungin, Bakti Beach, Muara Gembong District, Bekasi Regency as well as students, residents, government, NGOs (non-governmental organizations), and important media to realize development-based culture and local wisdom in the village of Pantai Bakti. Mangrove planting and management are also carried out so that marine resources such as fish and shellfish will increasingly arrive.
