### **[4] SDG4: Quality Education**

#### **[4.3] Lifelong learning measures**

**[4.3.1] Public resources (lifelong learning) Provide access to educational resources for those not studying at the university – e.g. computers, library, online courses, and access to lectures.**

**[4.3.2] Public events (lifelong learning) Host events at university that are open to the general public: public lectures, community educational events.**

FPsi UI supports lifelong learning by offering a wide range of psychology-related courses online. These courses are designed to be flexible and accessible to the public, regardless of their location or schedule. The content covers diverse psychological topics, allowing individuals to deepen their understanding of mental health, behavior, and well-being at their own pace. By providing this open access to educational resources, FPsi UI encourages continuous learning, catering not just to psychology students, but also to anyone interested in enhancing their knowledge of the field. This initiative promotes personal and professional development throughout one's lifetime. The page can be accessed through:
